IN THE SPECIFICATION:

Please replace the paragraph on page 18, lines 19-26, with the following paragraph:

RV activity in lower graph 152 includes ~~paces~~ paced events, such as the vertical line identified by reference numeral 162. A signal indicating a right ventricular sense (RVS) is denoted by a V-shaped symbol, but FIG. 5 includes no RSV's. A horizontal timing line, such as that identified by reference numeral 164, helps visualize the end of the refractory period.
